MEXICAN PRODUCTION

## POLISHING AND SHINING

Characterised for its high gloss and smooth texture to the touch.

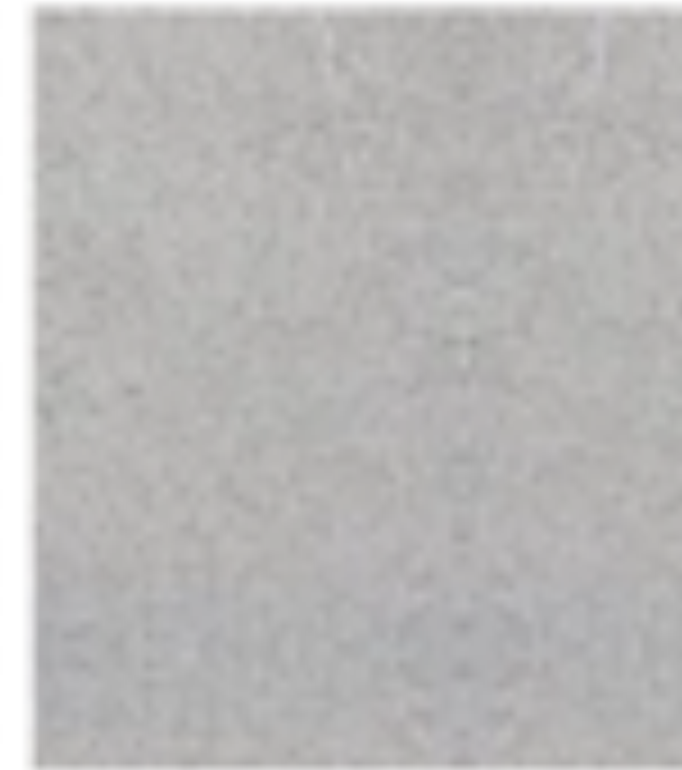

## MATT POLISHED

Characterised for having almost no gloss and a fine texture to the touch.

## BURSADE

A rustic finish with a touch texture achieved by tapping with pointed heads.

## SANDBLASTED

A fine, saturated rustic finish with a rough texture achieved by tapping sandblast sand against the piece.

## BRUSHING

By means of mechanical brushes a silky, smooth and satin finish is achieved, very practical and easy to maintain.

## CENTURY

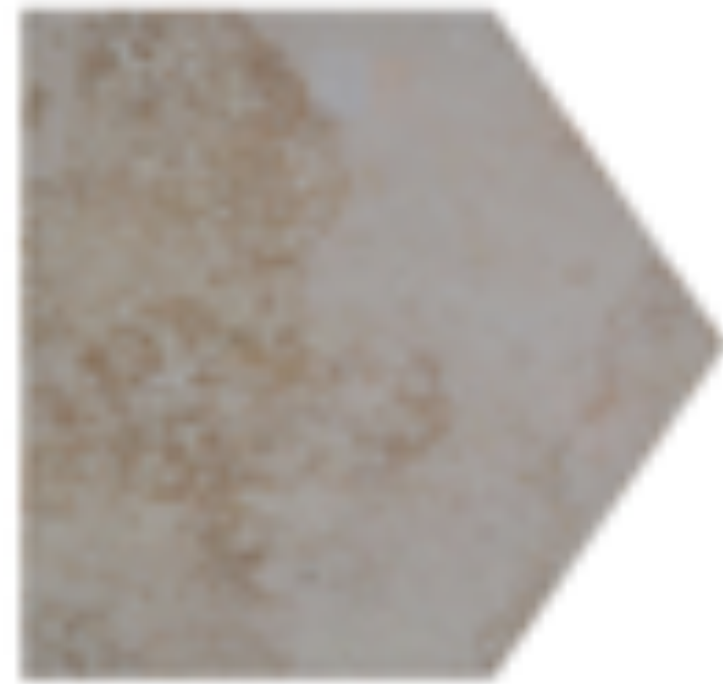

The pieces are aged by means of acids which gives them a rough texture but soft to the touch.
